TENNESSEE ORDER NUMBER 98-H0011
MODIFICATION NUMBER 2(A-852)

Dear Mailing List Recipient:

Industrial Plating Company and E. Roberts Alley & Associates, Inc., are providing notice of the implementation of a Class 1 modification of Tennessee Order Number 98-H0011 for Industrial Plating Company. This modification was processed in accordance with Tennessee Rule 1200-1-11-.07(9)(c).

This modification was submitted by Industrial Plating Company to the Tennessee Department of Environment and Conservation (TDEC), Division of Solid/Hazardous Waste Management (DSWM), to reflect changes to the Corrective Action Plan issued September 2004 and last modified on June 6, 2007. The Groundwater Sampling and Analysis Plan has been revised and updated. An equipment rinsate blank has been added to the Quality Control Procedures. This modification is effective as of March 18, 2008.
